

**PUBLIC HEARING CANCELLED
FOR NOVEMBER 18, 2008**

The Tennessee Department of Environment and Conservation, Division of Water Pollution Control, has canceled the public hearing scheduled for November 18, 2008, at 7:00 EST at the Maryville Municipal Building. The hearing was scheduled to consider the application for an NPDES permit renewal and modification submitted by Vulcan Construction Materials, LP for its Maryville Quarry facility located at 1965 Court Street in the City of Maryville.

Vulcan Construction Materials, LP has withdrawn its application for NPDES Permit TN0003042. The company is not renewing, modifying, or proposing any expansion or changes to the NPDES permit at this time. The requirements for a public hearing are no longer applicable.
